

2024 JULY FUTABA Preschool News letter

Summer weather has finally come as bright sunlight shines into the playground. The students found water and sensory activities that started during the Summer Program highly engaging. As we are entering the last month of this school year, we would like to express our gratitude to the parents and guardians for your continued support and partnership. Whether participating in school events or supporting our various initiatives, we could not have done it without you. Thank you.

There are several events left in the school year such as the Parent & Me Day and Star Festival. We will continue to pay close attention and ensure the health and safety of the children.

Welcom New Friends
