

We would first like to thank all of the parents and guardians that supported us on the day of the Sports Day. May is the month of “Tango no Sekku”(Children’s Day). We hope to introduce the origins and traditions of it through our daily activities and the celebration event. As we have entered spring and moving towards summer, there are days with high temperature and lots of sunlight. We will continue to pay close attention to the child’s physical conditions as we will work towards making a comfortable environment for their exploration.

5/5 is Childrens day

Children’s Day is a day to celebrate the healthy growth of children and their mother. The black carp represents the father, red represents mother and blue carp represents the child.
