

FUTABAKAI, INC. Safety Guideline

Futabakai, Inc. has always taken great pride in our exceptional school safety and service standards. In response to the threat of COVID-19, we are taking additional precautionary steps to enhance protections including:

1. Ramping up the frequency of cleaning, sanitizing and disinfecting services in our school property including, frequently cleaning all high-touch surfaces and areas, such as doors, door handles, seats, booths and tabletop technology, as well as frequent cleaning of restrooms throughout the day and a full cleaning of our entire class rooms.
2. Educating our team members on preventative measures as provided by the Centers for Disease Control (CDC), including heightened hand washing procedures.
3. Closely monitoring the situation and following guidance by the CDC to do all we can to protect our guests and team members and to help prevent the spread of the virus.
